## Process Server Application Instructions

### I. APPLICATION OVERVIEW

The Georgia State-wide Business Court (“Business Court” or “Court”) provides specialized expertise for the adjudication of complex business and commercial cases. It is the only trial court in Georgia with state-wide jurisdiction and, thus, Process Servers appointed by the Court pursuant to O.C.G.A. § 9-11-4(c)(4) may be called upon to serve papers and process throughout the State on Business Court cases.

The Court’s Process Server Application and additional information regarding the application process are available on the Business Court’s website at: <https://www.georgiabusinesscourt.com/>. The Court will only consider fully completed applications that are accompanied by all required supporting documentation.

Private Process Servers are appointed by the Business Court on an annual basis. All appointment orders expire at the end of each calendar year (December 31<sup>st</sup>), and applicants must re-apply to be reappointed for the following year. For 2025 appointments, applicants must submit a completed application packet no later than December 6, 2024. Decisions regarding appointments and appointment orders will be issued no later than December 31, 2024.

The Business Court reserves the right to deny any application as it deems appropriate in the interest of the Court and litigants.

### **III. NOTIFICATION PROCESS AND APPOINTMENT ORDERS**

Applicants who are approved as Process Servers for the Business Court will be contacted directly and provided a copy of the appointment order. **Please note**, an appointment order authorizes the appointed Process Servers to serve papers and process **only** in matters before the Georgia State-wide Business Court.

Process Server appointments and contact information will be posted on the Business Court's website. Process Servers appointed by the Court are required to promptly advise the Court of any change to their contact information.

An applicant whose application packet is not approved by the Court will be notified in writing and may re-apply the following calendar year.

### **IV. EXPIRATION OF APPOINTMENT ORDERS AND REAPPOINTMENTS**

All appointment orders expire at the end of each calendar year (December 31<sup>st</sup>) regardless of when the appointment order was issued. Thus, Process Servers wishing to be reappointed for any subsequent year must submit a new, updated application packet along with the required supporting documentation.
